

## 2020 Clean Rivers, Clean Lake Conference Agenda

**Wednesday, November 11**

9:00 am - 11:30 am

### Resilient Waterways and Watersheds

9:00

#### Introduction & Welcome

**Introduction & Housekeeping:** *Kristin Schoenecker, SWWT*  
**Keynote Veterans Day Speaker:** *Gary Paradoski, Aqua Vitae*  
**A Wealth of Nature & Resilience:** *Eddee Daniel, A Wealth of Nature*

9:25

#### Resilient Waterways: The Confluence of Access and Restoration

**Habitat Restoration for Climate Resiliency – Ozaukee County, WI**  
*Andrew Struck, Ozaukee County Planning and Parks Dept*  
**Banks, Bottoms, and Boat Launches**  
*Jerad Wegner, PE, Ruekert & Mielke*  
**The Great Lakes Trail**  
*Melissa Scanlan, Center for Water Policy Director (Starting 2021)*  
**Atwater: Beyond the Beach\***  
*Kate Markiewicz, Marek Landscaping*

10:20

5 minute Break

#### Resilient Watersheds: Financing and Planning Productive Partnerships

**Performance Based Conservation**  
*Greg Olson, Sand County Fndn & Amber Thomas, Village of Grafton*  
**Mason Creek Watershed Protection Plan**  
*Thomas Slawski, PhD, SEWRPC*  
**Building Watershed Resiliency w/ Water Quality Trading\***  
*Erin Delawalla, JD, RES LLC*

11:05

#### Building Resiliency in Capacity: Knowledge and Competencies for Freshwater Stakeholders

*Linda Reid, JD, Water 365 LLC & Maria Hart, Nomad Planners LLC*

11:25

#### Closing Remarks

11:30

**Thursday, November 12**

1:30 pm - 4:00 pm

### Resilient Stormwater Infrastructure

1:30

#### Welcome

1:40

#### Resilient Stormwater Infrastructure: Strong Partnerships and Performance

**MMSD's Fresh Coast Protection Partnership**  
*Bre Plier, MMSD (Other members TBA)*  
**Resilience in Stormwater Infrastructure**  
*Jake Brunoehler, PE, Advanced Drainage Systems, Inc.*  
**Sensor Network Development After Impacts**  
*Eric Robinson, In-Situ*

2:30

#### Sweet Water Mini-Grant Presentation

**Introduction:** *Brent Brown, Jacobs Engineering*  
**Recognition Ceremony:** *Kristin Schoenecker, SWWT*  
**Awardee Speaker:** *Damien DeBuhr, Groundworks Milwaukee*

2:50

5 minute Break

#### Resilient Stormwater Infrastructure in the Great Lakes Region

**5 Municipal Case Studies on Green Stormwater Infrastructure in the Right-of-Way**  
*Alexandra Novak, Alliance for the Great Lakes*  
**Chicago Resilient Corridors Project**  
*Michelle Inouye, PLA, AECOM*  
**Innovative GI Beneath the Marquette Interchange**  
*Anna Sunderland, PE, Strand Associates, Inc.*  
**Take a Drone Flight: The Honey Creek Headwaters Stream Restoration Project\***  
*Ginny Plumeau, REM, & Daniel J. Schwartz, PE, Ruekert & Mielke*

3:55

#### Closing Remarks

4:00

**Friday, November 13**

9:00 am - 11:30 am

### Resiliency in Science and Policy

9:00

#### Welcome

**Sweet Water Update:** *Jake Fincher, SWWT & Chris Magruder, SWWT*

9:20

#### Resilience and Research: Studies on Species, Pandemics, and Pollutant Plumes

**Biodiversity in the Age of Resiliency**  
*Gary Casper, PhD, Great Lakes Ecological Services, LLC*  
**Modelling the Impact of Rain-Driven Pollutant Plumes Along Nearshore Lake Michigan**  
*Emily Koster, University of Wisconsin Milwaukee*  
**Wastewater Surveillance of COVID-19**  
*Sandra McLellan, PhD, University of Wisconsin Milwaukee*

10:05

5 minute Break

#### Resilience and Policy: A Panel Discussion between Regional Experts

**Moderator:** *Cheryl Nenn, Milwaukee Riverkeeper*  
**Panelists:** *David Striffling, LLM, JD, Marquette University Law School*  
*Phil Gaebler, City of Madison*  
*Todd Brennan, Alliance for the Great Lakes*

10:50

#### Water Course Correction\*, Nathan Guequierre, AECOM

#### Water Equity Task Force Presentation

*Joe Fitzgerald, Milwaukee Water Commons*  
*Lisa Sasso, MMSD*  
*Michael Adams, Milwaukee Jobs Work*

11:15

#### Watershed Champion: Lifetime Achievement Award & Closing Remarks

11:30
